

## **Dr. Arnold Cook Missions Bursary**

A donor has established a bursary in honor of Dr. Arnold Cook for his outstanding work in the area of foreign missions. The bursary is designated to assist any student coming from an Alliance Global Mission field who intended to return to either his own country to minister or a nearby country with a similar cultural background.

The donor's wish was to provide seed money to get the bursary started with the hope and desire that churches and individuals would participate in building up this fund to assist students coming from our C&MA mission fields.

Dr. Cook's heartbeat has long been missions and preparing men and women for ministry abroad. He was long involved in missionary service in Latin America before joining the team at the National office as Director of Overseas Ministries and then as President of the CMA in Canada. Since leaving that office he served as president of the Alliance World Fellowship.

Anyone wishing to give toward this bursary is asked to contact Velma Warnock, AUC Scholarship Coordinator, by email ([vwarnock@auc-nuc.ca](mailto:vwarnock@auc-nuc.ca)) or phone (403-410-2938) or regular mail at 630-833 4th Avenue SW, Calgary AB T2P 3T5.
