Contents:

Enclosed you will find:

- 1) **Introduction** - This will give you general information regarding the theme of this resource material, taken from Psalm 2.
- 2) **Study Guides** - There are seven weekly study guides addressing the theme of the nations as an inheritance.
- 3) **PowerPoint** - You will find a print copy of the slides, based on the Vision Prayer, which may be used for a prayer vigil during Easter week, as the finale to the 50 Days of Prayer.
- 4) **Prayer Requests** - This brochure provides a prayer request for each of the 50 days from February 14 - April 4, 2010. These may be copied for members of your congregation to use in their daily devotional time.
- 5) **Sermon Notes** - You may use this material to preach on February 14 (or anywhere in the window of time leading up to General Assembly).

All of this material (except the sermon notes) is available from our website. You may print copies in either black/white or colour direct from: http://cmalliance.ca/previewCompile.inc.php?command=preview&ID=1917&TYPE_OF_INTERFACE=category

We would also suggest that you may want to use a contemporary song based on Psalm 2 called "You Said" (copyright 1998 Rueben Morgan [Hillsongs] performed by Darlene Zschech, if a recording is needed for your congregation to learn it). Your church will need a CCLI license number to use the song in your meetings.

The 50 Days of Prayer material is copyright clear for use in Canadian Alliance churches between February 14 and April 4, 2010.
